

A continuación, publicamos el Listado de inscritos definitivos para el proceso de admisión 2024-2 que se validará ante el ICFES, Hemos resaltado en color rojo los registros SNP del ICFES que deben ser corregidos debido a que no cumplen con la estructura correcta. Sin embargo, **todos los inscritos deben revisar su registro SNP** porque puede que tengan la estructura correcta pero los números estén mal digitados, en esos casos no es posible identificarlos, solo los aspirantes pueden verificar que la información diligenciada es la que corresponde a sus pruebas ICFES.

Si su registro SNP no está correcto puede modificarlo ingresando nuevamente al formulario por el módulo de inscripciones, recuerde que debe tener el Token que fue enviado a su correo. El plazo para realizar los cambios es del 9 al 14 de mayo de 2024 hasta las 11:59 p.m. después de esta fecha no se podrá realizar ningún cambio y damos por aceptada la información ingresada.

RECUERDE: los aspirantes son los únicos responsables de la información que ingresan al formulario por tanto si hay error en los datos y no son subsanados el aspirante perderá toda posibilidad de participar del proceso de admisión 2024-2.

NOVEDAD PARA CORREGIR:

- **CORREGIR AC DUPLICADO:** aspirantes que digitaron doblemente las letras AC de su registro ICFES - deben eliminar uno de los AC y completar los dos últimos dígitos que no ingresaron de sus pruebas
- **VERIFICAR ICFES, HAY OTRO ASPIRANTE CON SU MISMO AC:** debe verificar que el AC ingresado es el correcto debido a que se encontraron el mismo AC a dos inscritos diferentes
- **REGISTRO ICFES INCORRECTO, CORREGIR:** Su registro SNP no es correcto pues no cumple con la estructura del ICFES que puede ser: rango de dígitos, el campo esta vacío, espacios entre letras y números.
